

134th Kentucky Derby at Louisville, Kentucky's Churchill Downs. Ridden by Louisiana-native Kent Desormeaux, Big Brown proved his ability yet again, as the favorite became the seventh undefeated horse to win horse racing's most prestigious prize. Big Brown's trainer and owners now look ahead to the Preakness, the second leg of the Triple Crown.

Leading his third horse to the red roses of a Kentucky Derby win, Kent Desormeaux is no stranger to winning. Born in Maurice, Louisiana, Kent's first race was at Evangeline Downs with his first win coming aboard Miss Tavern on July 13, 1986. At 25 years old, the jockey became the youngest ever to notch 3,000 career wins. His successful career is a testament to hard work, determination and a love of his sport.

I know I join Kent's family and many in Acadiana in congratulating him on this most recent win and wishing him the best for continued success. Louisiana has a well-established record of producing winning jockeys and Kent certainly continues our legacy.

Unfortunately, Saturday's race did have sadness as second place, Eight Belles, was euthanized on the track. The filly, who ran an impressive race, collapsed after crossing the finish line. It was a tragic scene that reminds us all of the dangers of the sport.

The story Saturday though was Big Brown's big win. Desormeaux shepherded the horse from the outside gate through a crowded field and dictated the pace to give Big Brown the best shot at victory. As the lead pack rounded the final turn of the mile and a quarter race, Desormeaux gave Big Brown the signal, and the horse's effort left his competitors in the dust.

Again, congratulations to Kent Desormeaux, winning jockey of the 134th Kentucky Derby.

#### A TRIBUTE TO RIO LINDA UNION SCHOOL DISTRICT

**HON. DORIS O. MATSUI**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Monday, May 5, 2008*

Ms. MATSUI. Madam Speaker, I rise today in recognition of the staff and volunteers of the Rio Linda Union School District and the services they provided to local students. For 94 years, the dedicated staff of the Rio Linda Union School District has carefully selected fully credentialed teachers, involved the community in the education process and worked tirelessly to meet the needs of students. I ask all my colleagues to join me in honoring some of Sacramento's finest educators.

Established in 1914 as a one-room school house, the district has grown into a 22 school, K–6 district. This award winning district is now Sacramento County's largest elementary school district, teaching 10,500 elementary students in the northern Sacramento area. These communities include Rio Linda, Foothill Farms, North Natomas, North Highlands, and McClellan Park.

Rio Linda Union School District offers rigorous educational programs for all students and aligns their curriculum and textbooks to state standards with the integration of arts and sciences into the classrooms. The district prides itself on sustaining a quality learning environment, maintaining school grounds and ensuring a safe place for children to learn. Students have succeeded due to improved special education classes, expanded summer school, Reading Recovery program, family outreach workers, and before and after school activities to keep the children engaged in learning.

This district is made of a diverse population of students, bridging ethnicities and backgrounds. More than 36 different languages are spoken in this district and 26 percent of students have a limited proficiency in English. This is a challenge facing educators across our Nation, and the Rio Linda Union School District has met the challenge head on.

Rio Linda Union School District is driven by community volunteers. The efforts of the volunteers that help this district run are truly admirable. Approximately 3,000 parents volunteer each year to work in classrooms, chaperone field trips and serve on committees. Two annual events that showcase the dedication of volunteers in this district are the Volunteer Luncheon and the Principal for a Day program. More than 400 parents attend the annual Volunteer Luncheon where a "Volunteer of the Year" from each school is chosen. Their Principal for a Day program attracts community leaders making the program a state model.

This school district will soon be seeing a change due to the passage of Measure B which consolidates four northern Sacramento County school districts. In July of 2008, Rio Linda Union School District, Grant Joint Union High School, North Sacramento School District, and Del Paso Heights School District will merge to become Twin Rivers Union School District. Frank Porter, who is currently the Superintendent for Rio Linda Union School District has been hired as Interim Superintendent for this new district. Mr. Porter has worked as Superintendent for more than 6 years, during which eight Rio Linda schools received California Distinguished School Awards.

Madam Speaker, I am honored to pay tribute to the Rio Linda Union School District's commitment to education and our community. Over the past 90 years, their success stories have been truly inspiring. As members of the Sacramento community gather at the Aerospace Museum, I ask my colleagues to come together and honor the tireless dedication shown by the Rio Linda Union School District's staff and volunteers in providing quality education for our children.

*Monday, May 5, 2008*

Mr. OBERSTAR. Madam Speaker, I want to congratulate the American Junior Curling Team for winning the 2008 World Junior Curling Championship in Osterlund, Sweden on March 9, 2008. Despite strong competition from the other teams at the championship, including Canada, Norway, Switzerland, Germany, Denmark, China, Scotland, Czech Republic and Sweden, which had home-field advantage, the American team persevered and took the title, the first for an American team since 1984. They defeated Sweden 7–5 for the title.

I want to commend Coach Phil Drobick, Captain Chris Plys, Danny Plys and Aanders
